

United States District Court for the Eastern District of Wisconsin

**NOTICE OF CLASS CERTIFICATION, PROPOSED CLASS ACTION SETTLEMENT
WITH JUI LI ENTERPRISE COMPANY, LTD. AND FINAL APPROVAL HEARING**

Fond du Lac Bumper Exchange, Inc., et al. v. Jui Li Enterprise Co. Ltd., et al.
2:09-cv-00852 (E.D. Wis.)

If you purchased certain Aftermarket Automotive Sheet Metal Products directly from Taiwan Kai Yih Industrial Co., Ltd.; Tong Yang Industry Co., Ltd.; TYG Products, L.P.; Jui Li Enterprise Company, Ltd.; Gordon Auto Body Parts Co., Ltd.; Auto Parts Industrial, Ltd.; or Cornerstone Auto Parts, LLC, you may be entitled to a cash payment from a partial class action settlement and your rights may be affected by continued litigation.

A federal district court authorized this Notice. This is not junk mail, an advertisement or a solicitation from a lawyer.

- This Notice has been given by Order of the Court and pursuant to Rule 23 of the Federal Rules of Civil Procedure. The purpose of this Notice is to inform you that (1) a Settlement has been reached with **Jui Li Enterprise Company, Ltd.** (“Jui Li” or “Settling Defendant”), and (2) the Court has granted preliminary approval of the Settlement. Jui Li has agreed to pay USD\$3,350,000 in settlement of the Direct Purchaser Plaintiff Class’s claims against it. Due to a requirement of Taiwan law that applies to the fund because it will originate from a Taiwan bank account, twenty percent will be withheld as taxes, resulting in a deposit by Jui Li in the amount of USD\$2,680,000 (the “Settlement Fund”) in an escrow account in the United States. Class Members may also be entitled to an offset of United States tax liability, if any, associated with the payment of the Settlement proceeds. Prior settlements in this litigation were reached with Tong Yang Industry Co., Ltd.; Taiwan Kai Yih Industrial Co., Ltd.; TYG Products, L.P. (the “Tong Yang Defendants”); and Gordon Auto Body Parts Co. Ltd. (the “Gordon Defendant”) in 2015.
- Direct Purchaser Plaintiffs (“DPPs”) allege that between January 1, 2003 and May 14, 2015 (the “Settlement Class Period”), and between at least as early as January 1, 2003, and September 4, 2009 (the “Litigation Class Period”) Defendants violated the United States federal antitrust laws by agreeing to fix prices and limit the supply of Aftermarket Automotive Sheet Metal Products (“AMSM”). Defendants include Jui Li, the Tong Yang Defendants and the Gordon Defendant, who have all reached settlements with the Direct Purchaser Plaintiff Class, and Auto Parts Industrial, Ltd. and Cornerstone Auto Parts, LLC (the “Non-Settling Defendants”), who are currently in default. The lawsuit will proceed against the Non-Settling Defendants.
- Aftermarket Automotive Sheet Metal Products, or AMSM, is defined as any and all directly purchased aftermarket automotive products made of any kind of sheet metal manufactured by companies other than original equipment manufacturers, including but not limited to hoods, doors, bumpers, fenders, bonnets, floor panels, trunk assemblies, trunk lids, tailgates, roof panels and reinforcement parts.
- Please read this entire Notice carefully. This Notice summarizes essential information regarding class certification and the proposed Settlement, your potential rights, and deadlines to respond in order to act on your rights. This Notice also provides information about Class Counsel’s request for attorneys’ fees and payment of costs and expenses and intention to petition the Court for service awards to the Class Representatives.

YOUR LEGAL RIGHTS AND OPTIONS

| <p>EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS AND LITIGATION CLASS</p> | <p>You must submit a timely written request to exclude yourself from the Settlement Class and Litigation Class, if you wish to do so, postmarked by January 11, 2018. If you choose to exclude yourself, you will not be bound by the remaining Litigation or the Settlement, if approved, and will not be eligible to receive a payment from the Settlement Fund or any money that may be obtained as a result of the Litigation against the Non-Settling Defendants. If you exclude yourself, you are choosing to remove yourself from the Settlement and the Litigation.</p> |

Written objections must be filed with the Aftermarket Sheet Metal Settlement and Litigation Administrator, Class Counsel, Counsel for Jui Li, and the Court no later than January 11, 2018. If the Settlement is approved, you will be subject to the Settlement and bound by the Release unless the Court, in ruling on your objections, also permits you to opt out at that time. The Release language is available at www.AftermarketSheetMetalSettlement.com and described in more detail later in this Notice.</p> |
| <p>GO TO THE FINAL APPROVAL HEARING</p> | <p>If you timely object in writing to the Settlement and file a timely Notice of Intention to Appear at the Final Approval Hearing, in accordance with the instructions in this Notice, you will be entitled to ask to speak in Court about the fairness of the Settlement during the Final Approval Hearing set for February 16, 2018 at 11:30 a.m.</p> |

- These rights and options—and the deadlines to exercise them—are explained in this Notice.
- This Notice is merely a summary of the terms and provisions of the proposed Settlement, as well as the Litigation. For a complete description of the terms and provisions of the proposed Settlement, including certain exceptions, conditions, and limitations that may not be addressed herein, you should read the Settlement Agreement filed with the Court and the Court’s Decision and Order, both of which are available at www.AftermarketSheetMetalSettlement.com or by calling 1-866-413-5892. Capitalized terms in this Notice have the meanings assigned in the Settlement Agreement and Decision and Order.
- The Court in charge of this case still has to decide whether to approve the Settlement. If the Court denies approval of the Settlement, the Settlement Agreement will be null and void and the litigation will continue between the Direct Purchaser Plaintiff Class and Jui Li and any Non-Settling Defendants.

BASIC INFORMATION

Why did I get this Notice package?

Defendants' records indicate that you may have purchased AMSM directly from one or more Defendants between January 1, 2003 and May 14, 2015 and/or between at least as early as January 1, 2003, and September 4, 2009.

The Court directed that you be sent this Notice because you have a right to know about the lawsuit, the proposed Settlement with Jui Li, and about all of your options before the Court decides whether to approve the Settlement. If the Court approves the Settlement, and after any objections or appeals (if any) are resolved, the Settlement and Litigation Administrator appointed by the Court will make the payments that the Settlement allows. This package explains the lawsuit, the Jui Li Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of this case is the United States District Court for the Eastern District of Wisconsin, and the case is known as *Fond du Lac Bumper Exchange, Inc., et al. v. Jui Li Enterprise Company, Ltd., et al.*, 2:09-cv-00852 (the "Action"). The entities who lead the Action, Fond du Lac Bumper Exchange and Roberts Wholesale Body Parts, Inc., are called Plaintiffs, and the parties that they sued, Taiwan Kai Yih Industrial Co., Ltd.; Tong Yang Industry Co., Ltd.; TYG Products L.P.; Jui Li Enterprise Company, Ltd.; Gordon Auto Body Parts Co., Ltd.; Auto Parts Industrial, Ltd.; and Cornerstone Auto Parts, LLC are called Defendants.

What is this lawsuit about?

DPPs allege that Defendants violated federal antitrust laws by agreeing to fix prices and limit supply for AMSM. Defendants have denied and continue to deny each and all of the claims and contentions alleged by DPPs, as well as all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Action, as well as whether Class Members were damaged by their conduct.

Why is this a class action?

In a class action, one or more people called Class Representatives (in this case, Fond du Lac Bumper Exchange, Inc. and Roberts Wholesale Body Parts Inc.) sue on behalf of individuals or entities that have similar claims. Here, all of these individuals or entities are called a Class or Class Members. One Court and one judge—in this case United States District Judge Lynn Adelman—resolves the issues for all Class Members.

Why is there a Settlement?

The Court did not decide in favor of DPPs or Jui Li. Instead, the lawyers for the DPPs and Jui Li negotiated a Settlement that they believe is in the best interests of their respective clients. The Settlement allows both sides to avoid the risks and cost of lengthy and uncertain litigation and the uncertainty of a trial and appeals, and permits Class Members to be compensated without further delay. The Class Representatives and their attorneys think the Settlement is best for all Class Members.

WHO GETS MONEY FROM THE SETTLEMENT?

To see if you will get money from this Settlement, you first have to determine if you are a Class Member.

How do I know if I am part of the Settlement and the Action?

You are part of the Court certified Settlement Class against Jui Li, the Settlement, and the Action as a Direct Purchaser Settlement Class Member if you fit the following description:

- All persons and entities in the United States, and its territories and possessions, that purchased Aftermarket Automotive Sheet Metal Products directly from any of the Defendants between January 1, 2003 and May 14, 2015.

You are part of the Court certified Litigation Class and the Action as a Direct Purchaser Litigation Class Member if you fit the following description:

- All persons and entities in the United States, and its territories and possessions, that purchased AM Sheet Metal Parts directly from a Defendant between at least as early as January 1, 2003, and September 4, 2009 ("the Class Period.").

Are there exceptions to being included in the Classes?

Yes. Excluded from the Settlement Class definition are Defendants and their parents, subsidiaries, and affiliates, all governmental entities, any judicial officer presiding over the Action and the members of his/her immediate family and judicial staff, and any former Class Member that properly and timely opted out of the Class. Excluded from the Litigation Class are any judicial officer who is assigned to hear any aspect of this action, governmental entities, Defendants, co-conspirators, and the present and former parents, predecessors, subsidiaries and affiliates of the foregoing.

I'm still not sure if I am included.

If you are still not sure whether you are included, you can ask for free help. You can call Class Counsel or visit www.AftermarketSheetMetalSettlement.com for more information.

THE SETTLEMENT BENEFITS – WHAT YOU GET IF YOU QUALIFY

What does the Settlement provide?

Jui Li has agreed to pay USD\$3,350,000 in cash which, after Taiwan taxes, will net USD\$2,680,000 in a United States escrow account, in five equal installments.

The Settlement Fund, plus (a) interest earned from the date it is established, and less (b) taxes, costs, attorneys' fees, and expenses, and any amount attributable to opt-outs from the Class (the "Net Settlement Fund"), will be divided, *pro rata*, among all eligible Direct Purchaser Class Members who fit within the Court certified class definition on page 3 and sent in valid Claim Forms in 2015 ("Authorized Claimants"). Costs, fees, and expenses include Court-approved attorneys' fees and expenses (*see* discussion of attorneys' fee application at page 7 below), the costs of notifying Direct Purchaser Class Members, including the costs of printing and mailing this Notice, the cost of publishing notice, and the costs of claims administration.

Why is there a deduction for Taiwan taxes?

The Settlement Fund amount originates from Taiwan, which is the location of Jui Li. According to Taiwan tax advisors, under Taiwan law, the settlement amount paid to the payee of funds (the Class) is subject to a withholding tax of 20% of the funds and the payor (Jui Li) is required to make that deduction before the funds leave Taiwan. Jui Li is obligated to produce proof of this tax withholding pursuant to the Settlement Agreement, which will be shared with Class Members. It may be possible that this 20% tax withholding can be offset against taxes due in the United States, if any, associated with the Settlement payment. You may want to explore this possibility with your tax professional.

PLAN OF ALLOCATION OF SETTLEMENT PROCEEDS AMONG CLASS MEMBERS

How will payment amounts be determined?

Each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on their volume of qualifying AMSM purchases as compared to the total volume of qualifying AMSM purchases of all Authorized Claimants. The Settlement and Litigation Administrator shall determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund.

Distributions will be made to Authorized Claimants after the Court has finally approved the Settlement. If there is a balance remaining in the Settlement Fund after initial distribution of the Settlement Fund to Authorized Claimants (whether by reason of tax refunds, un-cashed checks or otherwise), the balance will, if feasible, be re-distributed to Authorized Claimants who have cashed their initial distributions and who would receive at least \$5 from any re-distribution, after payment of any unpaid costs or fees incurred in administering the Net Settlement Fund for the re-distribution. Any remaining balance shall be distributed as the Court may direct.

The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Direct Purchaser Class Members on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. No person shall have any claim against Class Representatives, Direct Purchaser Class Counsel, any claims administrator or other person designated by Direct Purchaser Class Counsel or Defendants and/or the Released Persons and/or their counsel based on distributions made substantially in accordance with the Settlement Agreement, the Plan of Allocation, or further orders of the Court.

WHEN WILL I GET MY PAYMENT

When will I get my payment?

The Court will hold a Final Approval Hearing beginning at 11:30 a.m. on February 16, 2018 to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals. It is always uncertain whether these appeals (if any) can be resolved favorably, and resolving them can take time, perhaps more than a year. Depending on whether any appeals are filed, the Settlement and Litigation Administrator could distribute the Net Settlement Fund as early as nine months to a year after the Final Approval Hearing. Please be patient.

What am I giving up as part of this Settlement?

Unless you excluded yourself from the Action during the initial settlements in 2015, you gave up your right to sue, continue to sue, or be part of any other lawsuit against any of the Defendants about the same issues in this Action or about issues that could have been asserted in this Action. As a member of the Class, your claims against the defaulting Non-Settling Defendants Auto Parts Industrial, Ltd. and Cornerstone Auto Parts, LLC will remain a part of this class action lawsuit. All of the Court's orders will apply to you and legally bind you and you will release your Released Claims in this case against the Releasees (*see* below). If there is a settlement or a favorable result of the claims against the Non-Settling Defendants in the future, you may participate in the benefits.

What are the Released Claims and who are the Releasees?

"Released Claims" shall collectively mean any and all claims, demands, actions, suits, causes of action, whether class, individual, or otherwise in nature (whether or not any Settlement Class Member has objected to the Settlement or makes a claim upon or participates in the Settlement Fund), whether directly, representatively, derivatively or in any other capacity that Class Members, or each of them, ever had, now has, or hereafter can, shall, or may have on account of, related to, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected injuries, damages, and the consequences thereof in any way arising out of or relating in any way to any act or omission of Releasees (or any of them) concerning the pricing, production, development, or sale of AMSM during the period from January 1, 2003 to May 14, 2015, including claims based on the conduct alleged and causes of action asserted or that could have been asserted, in complaints filed in the Action by the DPPs, including, without limitation, any claims arising under any federal or state antitrust, unjust enrichment, unfair competition, trade practice, statutory or common law, or consumer protection law (to the extent that a consumer protection claim would be based on allegation of an antitrust or unfair competition violation).

"Releasees" shall refer to Jui Li, and all of its past and present, direct and indirect, parents, subsidiaries, related entities and affiliates; Jui Li's predecessors, successors and assigns; and each and all of the present and former principals, partners, officers, directors, investors, supervisors, employees, representatives, insurers, attorneys, heirs, executors, administrators, and assigns of each of the foregoing.
